Brief Description of Incident (please be specific; attach additional pages as necessary)			
Driver was engaged in a cell phone conversation and repeatedly ran off the road barely avoiding a ditch and several road signs. She was not aware of drivers in front of her while on Old Bush River Rd and she had to brake very hard to avoid a car in front of her near the storage center. As the driver turned on to St Andrews Rd heading toward Columbia, I observed her crossing into other driver's lanes. This individual appeared to be caught up in conversation and completely unaware of her irresponsible behavior and the danger she was creating for herself and others around her.
