I was under the impression that they discussed that with you. I will find out.

Hi Lily,

They will be there at 11:15. I talked to the contact person, Derrick Quarles, a few minutes ago about the number of people who are coming. The President and two Vice-Presidents with the university will be here. Also, the Deans of the different schools and a few

other faculty members will be in attendance. He said there will be about 50 students.

Here is Derrick's contact information should you need to talk with him. Thanks for all your help!

Hi Cindy,

I wanted to confirm with you that the Lt. Governor will be meeting with Senator Allen's Group from Claflin here in the Lt. Governor's office tomorrow at 11:15 am. Also, do you have any information on this group that I can share with him to prepare for their visit?

Thank you,

Lily

Lily,

Thanks very much for setting up a time for the group from Claflin to visit with the Lt. Governor on Tuesday, April 25th, 11:15 in his office. I understand there will be less than 20 in the group and Sen. Allen will accompany them.

Cindy
