Description

Escape to the islands and sample the Jamaican cuisine and atmosphere at Island Grill! Grab your deal for \$5 for \$10 towards lunch or \$10 for \$20 towards dinner!

Jamaican culture is richly flavored by its cuisine. The aromatic spices of the Caribbean have allowed the island's kitchens to create one of the most unusual fusions of flavors in the world. Most popular on the menu is jerk, a marinade that can be added to almost anything, but usually meat. The spicy sauce includes many of the island's native ingredients. Seafood is also prevalent in Jamaica.

Start off your experience at Island Grill with a Jerk Chicken Salad, Fried Dumplings or Wings. Then choose from the many lunch and dinner options such as Jerk Chicken, Island Curry Chicken, Island Shrimp and more served with a variety of sides like Rice and Peas, White Rice, Macaroni & Cheese, Cabbage, Collards, Candied Yams and Steamed Veggies.
