We want to hear from you! All month we've been giving you fall foliage updates. Now it's YOUR turn. Tell us what the fall foliage is looking like in your neck of the woods.

**Brenda Parks-Arms** Close to the same.....rode thru an "avenue of gold" during the weekend that was breath-taking (Illinois)

**Dallas Gillespie Shirley** I'm a little bias towards Oconee State Park (since the hub works there) but the drive up Hwy 28 and onto 107 is beautiful and in a few more days will be breathtaking if the sun will keep shining!

**Jennifer Lynn Small McCarthy** Had planned a weekend at Devils Fork and got frightened away by the weather forecast of rain on Friday into Saturday and remained in Charleston. Very little color so far here, lots of dead leaves, just dark brown dead!!!
