Dear Emma:

The Lt. Governor's Office on Aging is very interested in Long Term Care in South Carolina and ensuring that our seniors receive the best Long Term Care available – care suited to their individual needs.

It is my understanding that the Department of Insurance has drafted regulations regarding Long Term Care and that if these proposed regulations are passed this year the Department of Health and Human Services can amend the State Plan to include them. If this is the case, I would hope that HHS, DOI and the LGOA can partner to ensure that these regulations are included in the amended plan.

I believe these regulations are very important to ensuring that our state's senior citizens and everyone who needs Long Term Care can be adequately served.

Thank you for your attention. I look forward to working with you on this matter and please contact me if I can be of any assistance to you.

Sincerely,

Curtis Loftis

Dear Mr. Loftis: *Curtis*

I appreciate your letter of December 21, 2007 expressing support for the Qualified Long Term Care Insurance Partnership program. Our agency is moving forward with plans to put this program in place. As your letter indicates, there are several things we are addressing along with the Department of Insurance (DOI) before the Medicaid State Plan amendment is filed and the partnership becomes effective. One of these includes the DOI regulatory changes.

Thank you for your offer of support for this effort. As we continue working on the partnership, we will involve your office as we explore options for marketing and public education. I have asked Sam Waldrep to keep you updated on our progress.

Sincerely,
