**Subject:** Ref:Counsel on Ageing

---

Dear Sir,I have contacted your office of Counsel of Ageing over 6 months ago.To find out on Affordable Housing.They were to send me info on properties that have low income rent.I have not received any information from them as of yet..I will be 70 in January and only draw 708.00 per month social security.I only have Medicare and Medicaide no other subsidizes.I had cancer in 2012with only Medicare.My bill was 95,000.00.Plus 35,000.00 at Piedmont Medical Cntr where they failed to diagnose cancer after seeing a total blockage of the Colon,and sent me home after a week.I went straight to CMC Charlotte So my credits ruined.Im living in a shack with a tarp over it.I cant keep it warm and after rent my money is consumed in heating bills.My food consist mostly of grits,oatmeal, and these dollar packs of seasoned rice.I don't drink or smoke.I am willing to work,but at almost 70.I haven't had any luck finding a job.I went to the senior job place in Rock Hill thats funded by the State There were (4)employees there but they were out of there allotted funds.Carolina Community Actions was also out of Allocated funds.The reason for this letter is not to complain,but to get some kind of help.

Affordable Housing or a Job.

Sorry the letter was so long.I wanted to explain my conditions in as much detail as I could.

Please Respond,Ralph Steve Hardy
