**Subject:** Associated Press would like to request a picture of Nikki Haley for video profile

---

Hello,

I'm doing a video profile for Associated Press TV of Nikki Haley, my colleague Seanna Adcox gave me your contact information.

I was looking to get a picture of Ms. Haley that her parents have of her as mentioned in a USA today article, when she was disqualified for Miss Bamberg Pageant because  
They couldn't figure out if she should compete in the segregated white or black pageant.

Thank You very much,

Marina Hutchinson
