Names of attendees is still subject to change due to our travelling accommodations. As of right now Lieutenant Governor Kevin Bryant and his wife Ann, our Chief of Staff Danny Varat, and myself are planning on attending, along with the Lieutenant Governor's security detail, of which I am not sure who or how many are attending. An invitation has been extended to our entire office, of which one is uncertain of whether or not she will be attending. We will be taking a plane between destinations, and this trip will require an overnight stay, which is why the answer to your question has not been as clear as either of us would prefer. Again, sorry for the confusion, but thank you for your patience and help in this process. I will stay in touch over the next month. Please let me know if there is anything else I can help you with.

Sincerely,

Hayden Grooms

Thank you so much for getting in touch with me. The Horry County Convention has been on the Lieutenant Governor's calendar with that timeframe, but I could not locate our email correspondence confirming that. We are still on track to be there April 22 around 11:30 and we are very much looking forward to it. Sorry for any confusion that I may have caused, I just wanted to confirm our appointment electronically. Also, what is a good phone number to reach you at that we can put on file in case we need to call you the day of the event?

When you called me a few weeks ago it was to advise us that the Lt. Governor would be able to attend the HCGOP Convention on Sat., Apr. 22 at around 11:30-12:00.

We agreed that you would send a follow up email with his arrival plans so that we could make plans to get him to the meeting.

Thank you for corresponding with Norm.

We look forward his visit.
