Subject: SRNS Today - October 2014

October 31, 2014

Welcome to the October Edition of SRNS Today!

This month's newsletter highlights a number of uplifting events. A ribbon-cutting was held for the future SRS Museum, which will honor the role this Site played in winning the Cold War; SRNS was presented our fourth Legacy of Stars award and 13th consecutive Star of Excellence Award; and our employees committed to donating over a million dollars to local United Way agencies.

We also began some important preparations for environmental cleanup work in D Area and signed an Exclusive Rights Agreements with Partnering in Innovation, Inc. of Orlando, Fla., in support of new carbon capture technology.

I hope you enjoy reading about this and more in this month's edition of *SRNS Today* and as always, thank you for your ongoing support.

Carol Johnson
SRNS President & CEO
