Dear Tony,

As you spend time with your family and friends today, we'd like to take a moment to **thank you for being part of the Alzheimer's Association family. Your compassionate support provides much-needed help and hope** to the millions of Americans affected by Alzheimer's disease and other dementias. Learn more about the important work you helped fund in our newly released **2015 Alzheimer's Association Annual Report**.

With you by our side, we're able to continue advancing our research efforts toward methods of treatment, prevention and, ultimately, a cure. **Your generosity also enables us to offer critical resources** such as our free 24/7 Helpline (800.272.3900), which provides reliable information and advice to those who need assistance day or night, **education programs and support** within local communities, and **ALZConnected®**, an online forum that allows people affected by Alzheimer's and their caregivers to connect with one another. You can access these support services and other resources at alz.org/care.

We know you share our vision of a world without Alzheimer's disease — and for that, we can't thank you enough. On behalf of everyone here at the Alzheimer's Association, we wish you a happy holiday season.

Gratefully yours,

Donna McCullough
Vice President

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. Our mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Our vision is a world without Alzheimer's disease®.
