

*“Monstrosity’s net has been flung wide; she’s caught her victims to her side and turned them into beasts and whores. But I will open up the doors and call to all who’ll come to Me. I’ll set them free, I’ll set them free.*

*“But all the beasts who want to stay and walk on in her deadly way will find that I’m their enemy as I pass through Monstrosity. Thus saith the Lord. Amen and amen.”*

With every overturn of the will of the people in favor of the abominable, the accompanying curse spreads increasingly across the land. Only the insane would continue to curse themselves in such a manner! But that’s what we have at the helm of abominable Monstrosity. Remember, Pew says they are “Christians!”

## “FAIR GAME”

**Saturday, 15 February 2014:** The Lord pronounced His plan for Monstrosity to Julie via prophecy.

*“All I have said I will do to Monstrosity will surely come to pass, says the Lord. I am laying her bare before her enemies and letting them see her in disarray. They are preparing their own plans for her, grievous plans of which she knows nothing. In her pride and her arrogance she thinks she still rules the world. She does not know her true position.*

*“In the days to come, My anger is going to be poured out on her and she is going to writhe before Me. She will be shamed and plagued in equal amounts, and her great men will not be able to give her reasons or bring her relief. She has purchased a terrible fate for herself and will get no sympathy from the nations around her. They will regard her troubles as their opportunity to elevate themselves.*

*“From this point on I will allow the nations much more latitude in their dealings with her, for judgment has been hastened by her evil acts of depravity. I will not hold back actions against her as I have done in the past. She is fair game now for any hunter.*

*“Warn your countrymen that they must guard themselves from her evil and turn to Me in faith. I will receive all who come in truth and repentance, and I will keep them out of the dangers and perils that are coming upon the land. Thus saith the Lord the Righteous Judge. Amen and amen.”*

Countrymen, the first thing to remember is, **Don’t believe ANYthing you hear from Monstrosity’s rulers.** That includes the president and anyone speaking for him or his party.

We’re another month closer to ruin in this **Year of the Shemitah**, and all the liars in Washington can’t turn it back. God says a financial crash is coming; let Obama take credit for it! Every word this presumptuous pretend-American says is a contradiction of what God says; only an insane fool would speak against Him in such a manner. But then, he *is* the leader of **“the party of the lost.”** And they are all liars. Selah.

Finally, we remind you to **lay in a 30-day supply of everything you would need, including gasoline.** And if you’ve not yet read *The Harbinger* or *The Mystery Of the Shemitah*, two books by **Jonathan Cahn**, you really need to do so. Then you will understand the hows and whys of 9/11, the Great Recession of 2008, and the inescapable economic crash that’s coming. We hope you have ears to hear. Amen.

not the ones perverting the nation's children, either. They're not the insane ones God is referring to. That distinction belongs to the Nazis, Alinskyites, and Democrats, CINO's every one. Woe to them all!

## “NEXT IN MONSTROSITY”

**Saturday, 15 February 2014:** The Lord gave Julie His response to the legal push to overturn bans on sodomite marriages in states that have enacted them. This came by tongues and interpretation.

*“What I am going to do next in Monstrosity will hasten her fall, says the Lord. For she has moved against Me in moving against righteousness, and I will pay her double for her sins.*

*“Those who exalt the abominable and who trample the rights of the just will not prosper, for I cannot bless unrighteousness. The evil ones who have put forth their hands to overturn righteous laws will tumble from their places in due time. I will overturn them as they have overturned the will of the people, and I will cause them to perish in their sins.*

*“Those who have applauded and celebrated wicked decrees will likewise know My judgment. I will bring upon them the evil they want to impose upon the ones around them. I will give them what they deserve and will take away what they value. Those who want to force wickedness upon others will perish in their wickedness and leave nothing behind them. They will be forgotten in their evil in due time.*

*“I am preparing judgments for all who exalt the abominable and for all who stand with them. I am leveling and reducing the ones who pull down righteousness in order to exalt wickedness. I am casting down the places where wickedness is exalted, and I will deal with all the ones who decree and frame evil by their words. I will choke them on their own words and give them poison to drink. Woe to the defenders of the abominable, and woe to the unrighteous judges of evil. Thus saith the Lord. Amen and amen.”*

God is a God of diversity, but not according to man's ideas. He has redeemed *“out of every kindred, and tongue, and people, and nation”* (Revelation 5:9), regardless of race, color, or gender. But His Kingdom is a *holy* Kingdom made up of *holy* people made holy by His Own Blood. The sons and daughters of the Most High are those redeemed by Jesus Christ and following the Holy Spirit (Romans 8:14). Don't think that the Lord is leading the unholy CINO beasts in their abominations. They are of their father the devil.

## “AS I PASS THROUGH MONSTROSITY”

**Saturday, 15 February 2014:** The Holy Lord responds once again to Monstrosity's move to establish sodomite marriage in the land. This came to Julie through tongues and interpretation.

*“Monstrosity has flung her net of wickedness wide and has caught many birds in her snare. The Lord Who regards each sparrow that falls has seen them all, has seen them all. And I Who have set the captives free will let them go to seek after Me. And all she has done and all she has said will fall on her head, on her haughty head.*

*“You call it ‘love’ and you call it ‘grace.’  
I call it one more slap in My face.  
You say that you are on history's side.  
I say you're stupid and blinded by pride.*

*“You say that millions are standing with you.  
I say that your days are numbered and few.  
You say you're setting oppressed ones free.  
I say you've once again spit upon Me.*

## “MY HAND OF PLENTY”

Wednesday, 12 February 2014: Our Miraculous Provider promises miracles for His people during the days of the Assyrian in this prophecy given to Julie.

*“This is how Monstrosity will be in the days to come, says the Lord Most High. There will not be one brick left atop another when the Assyrian is finished with her. The Assyrian will pillage her so thoroughly that there will be nothing left of any value, and then he will sift even the dust that remains and will take what he finds there. Everything will pass into his hands, and nothing will be left of worth. Your land will be completely impoverished.*

*“Yet My people will find all their needs are met, and they will be satisfied with the provision I pour out upon them. I will fund every endeavor I tell them to do, and I will supply all My work requires. Miraculous provision will be part of their daily lives, and they will depend upon My miraculous supply.*

*“Those who decide now to cast themselves utterly upon Me will never be disappointed, says the Lord. In the days of gravest want they will never lack. They will see My Hand of plenty meet every need, and they will not fear the hardest times and the grim days ahead.*

*“Learn to trust Me now and you will know how to trust Me then. Thus saith the Lord the Giver of miracles. Amen and amen.”*

Countrymen, the Lord Who loves you will miraculously provide for you when you call upon Him by faith in His finished work of Redemption. You can trust Jesus, for He is Faithful and True. Amen.

## “YOUR MONSTROUS SOCIETY”

Friday, 14 February 2014: Julie received this insight about our society by tongues and interpretation.

*“The deceptions practiced upon your countrymen have been many and varied, says the Lord. They were inspired by the lying spirits who infest the ones in authority. They have given rise to mistrust and contempt and have done much damage to the fabric of your society. They have caused people to scoff at the idea of honest government.*

*“Yet your countrymen themselves are responsible for much of the corruption and for many of the indignities they have suffered, for they put people in power over them who were not worthy of the offices they held. Many times they elected them over and over, even knowing they were corrupt or incompetent. Sometimes they hoped to receive favors from them, and sometimes they chose party loyalty over righteousness. But every vote they cast for an unrighteous end has brought about the situation you have now in government. There is no fixing it.*

*“As your monstrous society slides further down the slope to complete collapse, keep drawing near to Me and keep calling out to all who will hear. Keep warning your countrymen of the perils of Monstrosity and keep reminding them to flee her and come to Me. Show them My Hand of mercy is still outstretched, and bid them come, says the Lord Jesus Christ the God of mercy this day. Amen and amen.”*

While the Democrats are “**the party of the lost**,” this does *not* mean that the Republicans are the party of the saved. But they were not the party behind removing Jesus, the Bible, and prayer from public schools. They weren’t the party of murder by abortion and they weren’t clamoring for DOMA’s demise. They do have some Light, and some of them know right from wrong. They’re not the insane ones here.

They’re not the ones trying to disarm the American people. They’re not the party of deception, manipulation, and stealth. They’re not the ones perverting justice and the Constitution by executive order. They’re

## “SAFE IN MONSTROSITY”

**Sunday, 9 February 2014:** The Lord gave Julie His recipe for our safekeeping by way of prophecy.

*“Hopeless days are in store for your countrymen, says the Lord. When they see the land they still call their country continue to deteriorate around them, there will be much despair and hopelessness in many hearts. Many will begin to lose the last shreds of hope they had held onto and will sink into a sense of hopelessness and grief.*

*“This will lead many to turn to drink or drugs, as I have said. Some will turn away from society as much as possible and will seek to be self-sufficient and hidden. They will try to make a life for themselves apart from a society in which they no longer feel welcome. They will seek to stay out of Monstrosity’s clutches this way.*

*“But all they do will be useless against her increasing intrusions into everyone’s life. People will not be able to avoid her monitoring and snooping. Only a handful will be truly hidden from her, and they will do nothing against her to draw her attention to them.*

*“But My people will be hidden in Me even as they walk freely in their daily lives. They will not need any protection except what I give them. Their heads will be covered, and they will be hidden whenever they need to be hidden, for I will do that for them. I will hide them and reveal them at My will for My purposes.*

*“Seek to stay hidden in Me at all times, and you will be safe in Monstrosity, says the Lord Jesus Christ the Protector and Defender of His people. Amen and amen.”*

Countrymen, hear this from the Lord Who loves you and died for you! Past the **Year of the Shemitah**, life in Monstrosity will continue to worsen, as the devil’s children wax greater and greater. Many politicians will promise better days and a return to glory if they are elected. **Don’t believe them!** The 2016 election has been decided, and the intrusions, snooping, and surveillance will only grow more invasive. **Jezebel**, the ruling spirit of Monstrosity, will come into full power then, and this will hasten the Lord’s judgments on the land. And then there will literally be hell to pay.

## “BEST OF THE WORST”

**Monday, 10 February 2014:** The Lord promises His best to Monstrosity in this prophecy to Julie.

*“The Word of the Lord has gone forth against Monstrosity, saying, I am against you, Monstrosity, and I am bringing you down to ashes and dust, says the Lord. I am giving you gall and bitterness, great plagues and greater losses, the best of the worst I have. Your portion is desolation and bitterness, and your days are numbered and few.*

*“Quickened judgments, falling fast;  
Poverty first, the Assyrian last.*

*“Desolation, quake and flood,  
Rivers running red with blood.*

*“Death and horror still to be,  
As I judge Monstrosity.*

*“Let her know she is doomed, says the Lord. Speak to all that I have defeated her. For I have surely wasted her and brought her to ruin, and her days of reigning as a queen have come to an end. She is broken and disgraced before the nations, and all her pride and glory are gone forever. Let her be as one dead, cast out without burial and without mourning. Thus saith the Lord. Amen and amen.”*

## “THEIR REFUGE AND THEIR HELPER”

Friday, 7 February 2014: Julie received this message of comfort from the Lord by way of prophecy.

*“Many of your countrymen are in despair as they see the ruin of their nation all around them, says the Lord. They need a Word of encouragement and hope to strengthen them for the bitter days they are still facing. They need to know that I am their Refuge and their Helper.*

*“When they turn to Me, they will find Me near with the help and support they need. There are no days so bitter that I am not able to bring relief and comfort. I will bring them through everything ahead of them, and I will give them strength to go on.*

*“Tell them this as you send out My Words, and assure them that I am More Than Enough for every need they will face in the bitter days ahead in Monstrosity. Thus saith the Lord Jesus Christ. Amen and amen.”*

Countrymen, again we urge you to lay in a 30-day supply of everything you will need, including gasoline. We're in the **Year of the Shemitah**, and if you're not ready by September, you will suffer great harm, even more so if you're in a city. Warn your family, friends, and neighbors, and be ready to supply the needs of those around you who aren't able to help themselves. Jesus will help you as you help others.

## “GRIEVOUS JUDGMENTS”

Saturday, 8 February 2014: Julie recorded the Lord's grief through tongues and interpretation.

*“Grieve with Me for the grievous things coming upon your nation, says the Lord. Grieve with Me for your countrymen who are unable to grasp what has come upon them. Grieve with Me for the land that is smitten and wasted. Grieve with Me for the ones who will perish in the judgments I will send.*

*“For Monstrosity is reaping grievous judgments for her grievous sins. She is gathering judgments to herself from near and far. Her day of reckoning will bring untold sorrow and destruction, for she must reap what she has sowed, and she will surely drain the cup of her recompense.*

*“I am deeply grieved for the innocent who will fall. In the judgments approaching, they will pay a terrible price. I am sending an enemy who will not pity or spare. Only in Me is there protection and safety.*

*“Call to the ones bewildered and hurting. Call to the ones whose grief grieves Me. Tell them to flee to the One Who can keep them safe as Monstrosity crumbles around them and passes into the hand of the Assyrian. Call them out of darkness into Light. Thus saith the Lord to His watchmen this day. Amen and amen.”*

Countrymen, fellow Americans, grasp this one fact: **America no longer exists**, having been overthrown by wicked beasts, monsters, and whores masquerading as Christians. The evil starts in the White House and descends from there to Congress and the judiciary. Our nation has been fundamentally transformed into a freedom-robbing, rights-trampling, tyrannical **Monstrosity**. Those responsible are Nazis, and they intend evil against you and me. Like the German variety, our Nazis are good, church-going citizens who will destroy you in a moment. They may not be so overt or as brazen, but they will accomplish their agenda to subjugate all who oppose them. Your grief is God's grief; He is pained with your pain. Come to Him.

There are, as the Lord says, *“grievous things coming upon your nation,”* and many of our countrymen will die in these various judgments. The greatest toll will be taken when the God-ordered earthquake explodes along the New Madrid fault, and Lake Michigan drowns Chicago and Milwaukee by a tsunami.

Then there's the matter of the destruction of Sodom and Gomorrah (the San Francisco Bay Area). A Holy Ghost preacher named **A.C. Valdez** was given a vision by God in 1929 of an **ICBM missile** attack on that area; we've warned of this before. It's coming. And so is the lovely **Assyrian**, that wild man of Genesis. Only the Lord can protect you from all that is coming on Monstrosity. He is your only Safety.

*“You are a terror, says the Lord.  
You are a terror to the unborn.  
You are a terror to the nations,  
Though they laugh at you now in scorn.*

*“You are reaping terror in the future.  
‘Terror Home’ will someday be your name.  
You will be a terror to your own selves.  
What you have sowed, you shall reap the same.*

*“Sing this to Monstrosity in the days to come, and watch as I deal with her. Thus saith the Lord. Amen and amen.”*

*“You are a monster, says the Lord.  
You are a hopeless, wasted land.  
You have scorned the Lord and His correction;  
Now you are being broken by His Hand.*

*“Lie down in the dust, says the Lord.  
Your light is dark and all your days are few.  
Everything you’ve gained is being lost now.  
The Assyrian will trample over you.*

The Assyrians are putting on quite a show around the world these days, living up to their reputation as the “religion of peace.” The Bible-ignorant ones don’t know that Islam is determined to conquer the world, or that all that is occurring is fulfillment of Bible prophecy. If you liked the wild man’s actions in Paris, you’ll love them here in your home town. What do you politically correct fools have to say now?

## “WATCH FOR THE PAYDAYS”

Thursday, 30 January 2014: Julie received this notice of intent by tongues and interpretation.

*“Well have I said that all is corruption before Me in Monstrosity, says the Lord. For all that is vile and depraved is exalted as the best and the highest. The most corrupt men and women are elected to office and shame the office. The most evil bear rule and oppose the helpless. The abominable are lifted up and allowed to torment the innocent. This is a corrupt nation I see spread before Me, says the Lord.*

*“But I will not allow these evils to continue. My judgments are going forth upon the ones who have flaunted their wickedness and rejoiced in their freedom and ability to sin. They will soon see that what they thought would go on forever is being brought to an end. They will soon come to their payday.*

*“Keep watch for the paydays, says the Lord. For in this year you will see many, and you will know that I have not said in vain that I will requite for the blood of the innocent and the just. Thus saith the Lord to His servant this day. Amen and amen.”*

## “VILENESS”

Saturday, 1 February 2014: This portrait of Monstrosity came to Julie by tongues and interpretation.

*“Turning and turning, but never to Me;  
This is the pattern of Monstrosity.*

*“Grabbing and snatching and reaching for more;  
This is the way of the Infamous Whore.*

*“Murdering babies before they’ve drawn breath;  
This is the life of the Mistress of Death.*

*“Hating all holiness, cursing at Me;  
Vileness personified: Monstrosity.*

*“Thus saith the Lord. Amen and amen.”*

Here we are in the 21st century, evolving wonderfully, and this God Person keeps saying all these terrible things about us. What’s His problem? What’s wrong with a little freedom of choice? What’s wrong with a little “diversity,” or sampling what the world has to offer? Hey, we’re all Christians here!

So, how *did* America get overthrown and replaced by Monstrosity? Understand that the Lord is speaking about people responsible for the wicked laws and policies that have brought His judgment to bear on this nation. If the lawmakers are truly Christian, who is responsible for the vileness, the butchery, the evil, the wickedness? Someone is lying, and I’m pretty sure it’s not the Lord Jesus Christ, Truth in the flesh.

## “ASHES”

Tuesday, 28 January 2014: The Lord had Julie act out judgment in this prophetic Word.

*“Hold out your hand, the Lord said unto me.*

*When I did, He said, ‘I am filling it with ashes. Go and scatter them upon Monstrosity.’*

*I went out to my porch, lifted my cupped hand, and flung out the Lord’s ashes. ‘Go, ashes,’ I said. ‘Go and do the Lord’s work on Monstrosity. Go bring His will to pass, in the Name of the Lord Jesus Christ.’*

*When I went back in, the Lord said, ‘What you have done in scattering the ashes has sent new plagues and judgments upon the foul land. These are not the judgments I will plant; these are plagues and judgments on the foul and the abominable that will come upon them in the greatness of My fury in the days to come. They will bring suffering and sorrow. They are a foul ending to foul evildoers. They are a fitting judgment. Thus saith the Lord. Amen and amen.’”*

This isn’t the first time the Lord scattered ashes upon His enemy. He told Moses to sprinkle ashes toward Heaven in Pharaoh’s sight, and they would become *“small dust in all the land of Egypt, and shall be a boil breaking forth with blains upon man, and upon beast, throughout all the land of Egypt.”* (Exodus 9:8-9)

Boils and blains are a lot of fun; according to *Strong’s Exhaustive Concordance*, **boil** is defined to **burn; inflammation; i.e. ulcer:- boil, blotch.**

Blains are described in *Strong’s* this way: **to belch forth; inflammatory pustule (as eruption):- blains.**

That’s what Pharaoh got for his impudence against the Most High God. Egypt is always representative of the world in Scripture, and the world is always at war with God. But God always wins.

But that’s not all that Pharaoh got for his folly. He lost his army, his chariots, his horses. Egypt lost all of its food supplies, its cattle, and eventually, all of the firstborn of their land. They discovered that Jehovah was serious about taking care of His people. Egypt never recovered; it’s still a base nation.

Now we have a junior Pharaoh-wannabe in Monstrosity who thinks *he’s* going to prevail against the Lord. The ashes of God have gone out against this presumptuous man of darkness and his party of foul and evil beasts and monsters and whores. Talking to you, **Alinskyites** and **Democrats**, foul evildoers. You want to exalt the abominable, the men of vile affections, as the Bible calls them. So now share their reward.

And you can expect the same kind of success Pharaoh and Egypt had in their war against God. Your war machine will suffer defeat after defeat. Your crops are cursed by blight and blasting, and famine is on its way. Water will become scarce in many places, but the children of righteousness will have water enough and food aplenty. God is not mocked; the arrogance of the wicked will be their undoing.

And when the Assyrian arrives, you proud boasters will flee to the four winds, but you will not escape the wrath of God. You cannot outrun God’s judgments or hide from them.

Two **foul endings** for the **foul evildoers**; what the beasts and their followers have to look forward to.

## TERROR SONG

Wednesday, 29 January 2014: Julie received this latest music for monsters by way of prophecy.

*“I have given you a song to sing against Monstrosity, says the Lord. As you sing it, I will move to reckon with her and to bring her down.*

*“This is your song for Monstrosity. Sing it well to her. Sing it over and over to her. Let her hear you sing it. Sing it in her sight.*

*“Thus saith the Lord to Monstrosity,*

# Watchman On the Wall

*“I have set you as a watchman on the wall,  
To hear the Word at My mouth and repeat it to the people....”*

Song given to Julie Rider by the Lord in November 1993

Volume Twenty-Two, March 2015

## “THROUGH BEASTLY EYES”

Sunday, 26 January 2014: The Lord gave Julie this vision check by means of prophecy.

*“You are looking at Monstrosity through My eyes and seeing her as I do, says the Lord. I have told you of her hideousness, that she is vile and unclean before Me, so much so that I cannot bear to regard her. And yet I must regard every evil act she commits. And I have told you of My loathing for her.*

*“But the beasts and the monsters see her as lovely. They would not understand or believe anyone could disagree. They could never comprehend that a God they do not believe in would find her a place of corruption and depravity. They do not understand such terms, for to them corruption and depravity are expressions of self-fulfillment and freedom. They are badges of honor they wear proudly, glorying in their iniquity.*

*“Make sure you remember that beasts look at Monstrosity through beastly eyes. They reverence her as the ultimate expression of their hopes. They give her the same trust and love you give Me, and they consider her their god. They delight in her and her powers, and they are becoming bolder every day as she gains ground in the land of your birth. Beware the beasts and monsters, says the Lord to His servant this day. Amen and amen.”*

According to Pew, over 90% of the 114th Congress is Christian. Isn't that wonderful? No. Pew's books aren't reliable, as they classify Catholics and Mormons as Christians; they aren't. Pew also took everyone at his word. But God has the Final Word, and His standards are much higher than man's.

This religious poll has been much the same for many years, with a vast majority of lawmakers claiming to be Christians. Then why is God's judgment against this nation? Why did He name America **Monstrosity**, and why is He going to destroy her? How did all this happen with all these “Christians” in Congress?

Maybe this is the answer. Many professing Christians are among the Democrat Party. So? In Volume 8 of **Watchman On the Wall**, which we sent in November 2013, on page 7. in comments beneath the Word **“A New Land Indeed,”** we find this eye-opening paragraph.

Julie: When the traitorous U.S. Supreme Court overturned the Defense of Marriage Act earlier this year, we watched Democrat lawmakers jubilantly revelling in the evil decision. I told the Lord, “They are out there celebrating as if they've won a great victory, Lord. They think they're the party of winners, but they are the party of losers!” **“No,”** He quietly replied, **“they're the party of the lost.”** I stand corrected.

We wonder what numbers Jesus would give Pew if they asked Him! And what would He say about those so-called churches that rang their bells to celebrate the DOMA overthrow? The Righteous Judge will deal with the beasts, monsters, and whores (many of them claiming to be Christians) on Judgment Day. Woe to those who take His holy Name in vain! They say they are Christians, even as they murder the unborn and exalt the abominable. Actually they are **CINOs**, which rhymes with **RINOs**; they use church membership as a cover to appear normal to the average American voter. God has nothing to do with it – or them.
