South Carolina State Parks

at 13:51:01 on 9/08/2019 UTC · 🌐

More parks opened today! Hampton Plantation is open and Huntington Beach State Park is open for beach access and day-use! The campgrounds and Atalaya castle remain closed for clean-up. Remember, Myrtle Beach State Park is also open for day-use! Come see us today in the Grand Strand! Hunting Island, Edisto Beach and Charles Towne Landing remain closed due to power outages and clean-up efforts. Thanks for your patience!

Cindy Ramsey Great news!!!!

at 14:37:32 on 9/08/2019 UTC

Lisa Cornick South Carolina State Parks in Columbia they told me you will be open Monday, sep. 9. I have a six hour drive and would leave early, before 9 when park opens to answer phones. You are suggesting that my reservation for tomorrow will most likely be cancelled?? And I would not be able to get in?
at 14:37:37 on 9/08/2019 UTC

Marlene Vasecka Here is an idea. State gives out food stamps in payment for cleanup of our beaches, roadsides, etc., limited amount people can make each month and pay each time by the hour and maybe more hours available for larger families?

South Carolina State Parks I am hearing the North campground will open Monday and the South campground Tuesday. You may contact the park directly for more info.
