Chaney and Rob – The governor was just brought up as a possible guest for this topic. Would she be available tonight in the 7PM hour? Check it out below – we'd love to make this happen.

How would it play against the Republican candidates? And would it help Clinton boost her war-on-women narrative? Also -- who would it be? Maybe Elizabeth Warren?

Boston Globe: Women will be on Hillary Clinton's Vice president list.

Hi Rob and Chaney – just wanted to circle back around on this. Please let me know if today, or Thurs/Friday would work for the governor. We'd love to get a supporter of Senator Cruz on.

Thanks!
Carrie

Hello! Hope you all had a great weekend. I know the governor's schedule has been busy, but just wanting to let you know Greta is still very interested in getting her on OTR this week. Wednesday or Thursday would likely be best – we will be airing a special on Friday, so no show then.

Thanks so much for trying to fit us in!

Hello Chaney and Rob – hope you're well!

We understand Governor Haley will be backing Senator Cruz in the election now that Senator Rubio has unfortunately suspended. Writing to request that the governor come on with Greta to discuss. We'd love to make it happen this week, or the beginning of next.

Looking forward to hearing from you.

Best,
Carrie
