Dear Ms. Haltiwanger:

My name is Megan Harrington and I am a consulting for Elevate Publishing's "The American Immigrant" book initiative (PDF attached). The purpose of the project, a brainchild of former Congressman Dick Gephardt and Mark Russell, is to shine a light on the American Dream through well-known and unknown immigrant stories.

Immigration is a hot political and social topic, but we want to capitalize on the human interest story and leave politics aside.

As the daughter of immigrants, we found Governor Haley's story particularly captivating. I

would welcome the opportunity to arrange a phone interview, should her schedule allow. If you have any questions, please let me know.

Thank you for your time and consideration!

Respectfully,

---
