Updated: Mar 23, 2016 1:08 PM CDT

"A proposed Alabama constitutional amendment would legally define a fetus as a person from the moment of fertilization, effectively banning abortion in the state."

"The state House Health Committee on Wednesday heard testimony about it, though lawmakers didn't vote on the amendment. Similar proposals in other states have failed

to win federal court approval."

"Supporters of the bill, sponsored by Republican Rep. Ed Henry, asked the committee to allow Alabama citizens to vote on the issue."
