Holly,

I have attached a list of the additional state agency/facility closings that we have received from state agencies as of noon today. We will forward any additional information that we receive.

In case there are agencies who have not notified our office, we would recommend including language from the State Human Resources Regulation 19-712.01 (K) that "any necessary immediate evacuation of a facility by an individual in an appropriate supervisory capacity in the interest of personal safety" would be covered by the executive order.

Kevin Paul
Assistant Director, Division of State Human Resources
