scstateparks Happy #WorldOceansDay! As you visit state park beaches (Hunting Island, Myrtle Beach, Huntington and Edisto) remember the vital role they play in our ecosystem. It is up to us to continue to preserve our waters. ❤️🌊 Comment a heart and "shoutout" your favorite state park beach. #CommentBelow - 📸: @valerielamottdesigns 📍Edisto Beach State Park

[denaj811](#) We love camping, fishing, and bike riding at Edisto beach campground and visiting Botany Bay! Huntington Beach south campground is wonderful for longer stays. The park is wonderful for riding bikes and checking out wildlife! The hubs loves fishing there! Hunting Island has a great campground and the beach is awesome for riding bikes!!
