

State of South Carolina Office of the Governor

NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

Welcome to Decision Day 2016 at Edisto High School! It's a great day in South Carolina when we can celebrate our graduating seniors who are committed to furthering their education and training upon completion of their high school career as well as the juniors who are beginning the planning process. The Palmetto State has demonstrated its ability for attracting new businesses, and we need qualified individuals to fill these newly-created positions. From jobs in upper management and administration to careers in manufacturing and technology, one's success in the business world requires a skillset that is enhanced and refined in a post-secondary education setting.

Michael and I send our congratulations to the Edisto High School Class of 2016, and we wish you all the best with your future education and career goals. God bless.

My very best,
