I forgot to mention that Thursdays are session days, but the call to order is at 11:00 on Thursdays so they should adjourn with plenty of time. I only want to inform you of this because they could get caught in a debate and it run longer than normal.

6th is correct. Registration starts at 6pm. Call to order is 7pm, so Kevin doesn't need to arrive until a little before 7 unless he just wants to be early.

Thanks,

Phillip

Good afternoon,

I just wanted to touch base with you and confirm that the Lieutenant Governor is planning to attend the Pickens County Convention on April 6, at 6:00 p.m. The state party website (www.SCGOP.com) had the Pickens County Convention scheduled twice and I knew that you had told me April 6th was the date, not the 20th, but I just wanted to double-check that with you. Also, the state party website had the location set for the United Wesleyan Church, 738 Rice Road, Easley, so I just wanted to make sure that was correct as well. Thank you for your help during this process.

Sincerely,
