Dear Governor Haley,

As a constituent, wife of a retired Navy veteran, and a member of the Green Knights MMC Ch 37, I would like to cordially invite you and your family to join us in celebrating our local fundraising event, Operation Military Child (OMC) on April 26, 2015. This event will be held at Low Country Harley Davidson, 4707 Dorchester Road, Charleston, SC from noon - 3:00 pm. The Green Knights MMC Ch37 along with Low Country Harley Davidson will be sponsoring this event open to military families as well as the general public in order to raise money to help our local OMC with the costs of "Daddy Dolls" given to military children whose parents are deployed.

The Green Knights are a military motorcycle club that works closely with the base safety office in mentoring and training DOD riders. Our members range from active duty, reserve, retirees, DOD civilians, and dependents who ride all styles of motorcycles.

Operation Military Child is an organization which supports service members children who are impacted by deployment. The recipients of OMC receive a variety of support including academic, mentoring, and intervention. They also participate in arts, recreation, and leisure activities as well as life skills, citizenship, and leadership opportunities.

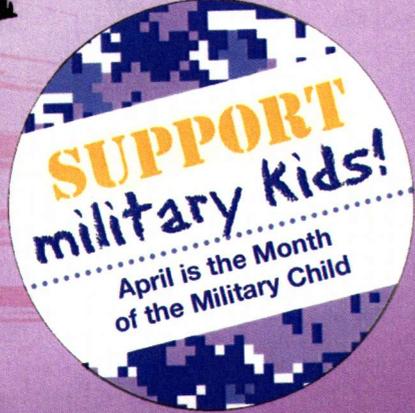

It would be our pleasure to have you and your family participate in this wonderful event as we raise money and give back to our military families for all that they do to keep us safe. If you are unable to attend but would still like to help out, we are still taking donations and looking for sponsors. Thank you for your time.

Sincerely,  
  
Ann M Clark, Member of Green Knights MMC Ch 37

Dear Friends,

April is the month of the military child. Low Country Harley-Davidson and the Green Knights MMC Chapter 37 are excited to announce an event that will honor and benefit local military children! The 2<sup>nd</sup> Annual Operation Military Child event is a fun event for motorcyclists, military families, and friends! A Daddy Doll voucher will be given away every 30 minutes to a local military child. A variety of events are planned to ensure an exciting day for everyone! In 2014, more than 150 people participated in the event raising \$3,450 for local youth military programs while providing local military and civilian children a fun filled day! Each military child was presented with a Daddy Doll certificate and several others also won a new bike!
