

Dear Governor Haley, 1-16-1

Thank you so much for your invaluable support of the Governor's School for the Arts and Humanities. I love this school because it offers me incredible opportunities and resources which simply weren't available to me in my hometown. As one of the leading public high schools in the nation for arts and academics, your generous contributions to our school help fund the development of artistic and academic success and provide incomparable experiences for the future generation of America.

Thanks for all you do,
Gabriel Smallwood
