## South Carolina State Parks

at 14:11:11 on 9/07/2010 UTC · 🌐

Hope you all had a great Labor Day Weekend! Just because summer vacation time has past doesn't mean you can't visit a state park -- matter of fact, late summer and fall are some of the BEST times to visit. The weather is usually nice and there's still lots to do! Anyone have a late summer/early fall state park trip planned? If not, reserve today!
