Myrtle Beach State Park hosted Take a Kid Fishing this past Saturday. 38 kids fished and caught 10 different species of fish (croaker, spot, whiting, weakfish, flounder, sea robin, pompano, jack crevalle, butterfish AND a seahorse)! A total of 113 fish were caught in only 3 hours! 16 kids caught their first ever fish in the ocean. 17 staff and volunteers helped kids and their friends and family make some incredible memories at Myrtle Beach State Park!
