I live in Winnsboro and shop at the Walmart. It's where I purchase my prescriptions, buy my groceries, meet my. family and friends. This store is detrimental to this area. We have elderly people in this community that depend on this stores. It's tough enough to get a 8 or 10 mile ride to our local Walmart. How will get a ride to another store almost 20 miles away. It would have been nice if they had communicated with this community before this decision was made.

Many people are loosing their jobs behind this & our community needs Walmart. It's one of two grocery stores that our community have available.
