Austin – three documents as discussed:

- 1) One pager you requested that summarized where we are with Real ID. I believe we should seek "comparability" since DHS has suggested for several years that it would be acceptable in lieu of "compliance"
- 2) My most recent letter to DHS requesting "comparability"
- 3) My letter of rejection from DHS. (have not yet received a hard copy, BUT I had my Director of Driver Services call them for this soft copy (attached).

Please let me know if there is ANYTHING the Governor needs to prepare her for the call with Secretary Johnson.
Thanks!
Kevin
