Can you pull a copy from my travel reimbursement?

Hey Tony,

I got with Jon to find the travel request he was looking for on December 11, but I was wondering if you have one completed for November 13 thru the 14. I asked Jon to see if it was misfiled with Decembers but he couldn't find it and it isn't in the folder with the extras that I have. The destinations were Ladson and Sumter for FOA tour.
