Dennis,

I am interested in learning how our states are planning for the boomers through increased funding, service capacity, human service workforce. Thanks for furthering Jim's idea.

**Subject:** Idea of Conference Call

Dear Colleagues,

Hope all is well. Recently Jim (Tennessee) asked me about the possibility of arranging a conference call for Region IV State Directors to allow us to catch up with each other on news, ideas, etc. I have briefly mentioned this to both our Region IV AoA Office and to NASUAD, and I think we could engage both.

Before I went further, though, I wanted to confirm your interest. I also wanted to generate a list of priority topics/questions that you would like to see discussed. I'd like to hear from you by next Friday if possible. Thanks. Dennis
