Subject: RE: Video Request

Katherine: Woodside Plantation is in Aiken. The Reserve Club at Woodside is one of two clubs inside the gates of the Club. The Reserve Club has a July 4th celebration for members. They would like an approximate 1 minute video of Governor Haley saying hello and telling the members Happy 4th, etc. Can you arrange for that? they had Senators Graham and DeMint the two years before last. Last year, they asked about Governor Haley doing this and about 2 days before the 4th, staff had to let them know that it could not happen. The point of contact is Ross Desmond. His cell phone is 803-349-5479. What else do you need? Thank you for your help. Tom-----Original Message-----
