#### Description/Significant Features:

This is a 1-story frame residence with brick siding. The house is rectangular in plan with the long side facing the street, surmounted by a lateral gable roof with a small front gable covering one bay on the left side. The facade to the right of the front gable section is recessed behind the overhanging roof, with an off-center single door flanked by large bay windows. A 1-story open porch has a shed roof which projects from the middle of the lateral gable roof and is supported by slender metal columns. A brick chimney rises from the center of the front roof, while an open carport is located at the front on the right side. The lot also contains a modern 2-story frame storage building.
