**Self-Injury Behavior in Youth - Issues and Strategies Live Webinar**

May 21 from 1pm - 2pm (CST)

Helping professionals are increasingly encountering young people who are engaging in self-injurious behavior. This webinar will focus on practical strategies for working with youth struggling with this complex issue. Topics covered include assessment, emotion regulation, replacement skills training and contagion prevention. Participants will gain insight regarding self-injury behavior in youth along with tools for effective intervention.

**\u10141 ? Special Event: Mindfulness Retreat  
- for Counsellors, Therapists and Caregivers**

Banff, Alberta, Canada: July 22-24, 2015 (early rate deadline June 22)

The ability to regulate one's body and find balance in emotion, thought and physical health is at the core of healing and well-being. It is extremely important for caregivers to cultivate their own well-being and deepen their own practice of developing regulation skills. This 'working retreat' will assist participants in developing their own mindfulpractice and provide the opportunity to experience the effect of a deeper embodied presence and attunement with others. In this highly experiential workshop participants will practice mindfulness, regulation skills and strategies meant to promote compassionate self-awareness and emotional balance as well as prevent burnout and compassion fatigue.

*Early Rate \$595; Regular Rate \$685*

**More Upcoming Live Webinars**

De-escalating Potentially Violent Situations™ June 5 from 1pm - 2pm (CST)  
Critical Incident Group Debriefing June 17 from 1pm - 2pm (CST)
