Katherine -

The "gun bill" study group met a week or so ago. Ann Cushman was charged with working on the amendment that came from the last meeting of this group. I assume that is the amendment of which he is speaking. It mainly has to do with reporting requirements for probate judges. These concern timetables for them sending into SLED the backlog of names of citizens adjudicated for mental illness in the last ten years. This is to put the state in accord with the federal reporting requirements.

Senator,

We are working on changing the date on the OOP. The Governor would like for you to present the award. We will follow up with you when it's ready for pick up.

Can you respond to the email below?

Thank you,
Katherine

Katherine,

I see that this is up for subcommittee tomorrow and that the Attorney General and others have drafted an amendment to put on this or a related vehicle if it gets moving. Do you know if that's the plan here and if they have finished the language on the amendment?

Thanks,
Josh
