Hi Chaney and Rob,

I hope you are enjoying this beautiful day. I wanted to send you all a quick note while I have the opportunity and trust that you will keep it confidential.

I am sending this to you all since I have worked with you all and known you for a while, and have the utmost respect for you. During my time here at WSPA, I have always enjoyed our professional relationship and everything that you have done for me.

With that said, my last day at WSPA is scheduled for May 27<sup>th</sup>, but it could be sooner if they are able to post the job and make a hire. Thus, I do not want you to wonder what happened to me if I suddenly disappear...lol...This is a decision I had to make for personal reasons, as well as accomplishing some goals professionally. There is nothing else that factored into this and is a decision I did not take lightly. Who knows, I may have a project in South Carolina that I work on from up in NYC so if you need anything from myself please let me know

Thus, I have truly enjoyed working with you and your staff during my tenure here. It is something I will always cherish. You have always accommodated my requests, and despite some of the hectic times, you always managed to have a professional personality that made my job a lot easier. At least you won't have me to bother you...lol...My colleagues on the Assignment Desk are very good and always professional, so you should be in good hands.

I will be around the upstate for a short period of time before moving to NYC.

My contact information is (864) 360-3478, e-mail [avsfan2002@msn.com](mailto:avsfan2002@msn.com) and twitter @roblandreth and I am on Facebook as well. I would love to keep in touch.

I will truly miss you all at Governor's Office, and please pass my best along to Governor Haley. Best wishes on a long and prosperous career.

All the best,

Rob Landreth
