I have a question about park passports. A family member is wanting to get a park passport for our kids, but wanted to know if she could use her senior discount on it? I wasn't sure how that worked, so I wanted to check before she buys one. Thanks!

Thank you. I read that, but wasn't sure if they could buy a pass for someone else using their discount.

Technically, they are supposed to be present in the vehicle when the pass is used.
