Yeah, call me later today, and we can catch-up. I thought we were running with the year-ago figures anyway, since that's what counties have been planning with so far, as they've decided whether to participate this year or not.

Happy Rollout.

Scott sent me the 2012 graduation rates Friday night and I just calculated the 3 year average. Below are the counties that donâ€™t meet the threshold to include Greenville. I guess Iâ€™ll hold off on putting the updated information out there until I get your thoughts!? Happy day before the roll-out.
