But, I think you are  
doing a phenomenal job  
so I thought it was  
time to let you know.

I grew up in church  
with Morgan Weaver.  
She was always a sweet &  
bright girl.

Sincerely,

Morgan Whitney Phelan

Dear Governor Haley,

I just wanted to say  
how thankful I am  
that you are taking care  
of our state. I commend  
you on your leadership,  
especially during last month's  
scary flooding.

I participated in a  
pageant in college and  
when asked what I wanted  
to be I said the first  
female Governor of S.C.
