It was wonderful speaking with you - thank you so much for your help! As I stated earlier, Lt. Gov. Bryant would like to dedicate the entire month of July to our military and first responders, with the goal of visiting as many Police and Fire Departments as possible as well as all of our active military bases in the state.

So far, I have spoken with contacts at the Marine Corps Air Station in Beaufort, Shaw Air Force Base and State Command Chief Kevin Thomas has reached out to McEntire Joint National Guard Base to hopefully schedule a tour.

At each base, he hopes to tour the facilities and hopefully speak with some of our service men and women to thank them and show his appreciation. That being said, I have asked each contact at each different base what the best setup regarding a tour would be. I am unfamiliar with each base's function and the Lt. Gov. is open to anything and everything. Thus, what do you think would be the best way for him to learn all our State and National Guard do for us?

He has availability to go anywhere on the 5th, 6th, 18th, 19th and the 21st. He will be in the upstate the week of the 11th and then in the Midlands on the 20th, 26th and Horry County on the 27th.

I know that's not a lot of information, but I really appreciate your help! Please let me know what you think would be best for him and if you need any additional information from us.

Thank you!
Tori Beth
