Can we move earlier in week so I can upgrade your situational awareness on SCSU and my time table? Briefed SCSU board chair today. Audit issues have solidified sufficiently at the 50 foot level. More details to run out but framework won't move much.

Any time except Wednesday morning.

Thanks

How about 8:30 on Friday then? No donuts necessary – we have to preserve our independence.
Thanks.

Book me—set time & advise glazed, jelly, cream, or dealer's choice—the earlier the better.

thanks

I have ideas for future reviews and audits but would appreciate 15-30 minutes of time for your input from your unique perch, as well as any ideas you have for areas to improve government effectiveness.

Name the time and I will bring donuts.

Thanks in advance
