**Subject:** Governor's position on MOX

---

Good morning Katherine - if I am to believe the newspaper quotes this AM in the Aiken Standard and the Augusta Chronicle, the Governor used the Democrats position concerning the MOX budget. Graham, Scott, and Wilson are working from a totally different point of view. I suspect that the Governor was not well briefed and got caught off guard. I suggest that she amend her position quickly.

We are still looking forward to her SRS visit on April 21.
