It can be any staff member. As the Governor has no involvement in the pardon or expungement processes, it is appropriate for it to be staff.

I do not have an issue with it.

Katherine,

Just give me the go ahead and we will start handling this.

Jim,

Would you mind having your folks process all pardon and expungement request letters? Our standard pardon and expungement response letter has not changed in years and is loaded into IQ. I believe the label on the website would also need to redirect to other staff as well. Please let me know if you see any issues with this.

Thank you,

Rebecca
