Subject: 2014 Great Southeast ShakeOut

Attachments: Earthquake Safety Actions.pdf

Hi Everyone!

Just a friendly reminder.....the 2014 Great Southeast ShakeOut is quickly approaching!

On February 14, 2014, a 4.1 magnitude earthquake shook South Carolina. While earthquakes of that magnitude are rare in the Southeast, it is important for the safety of everyone to be prepared.

The LGOA has registered to participate in the 2014 ShakeOut by holding our own earthquake drill again this year on October 16th at 10:16 AM. Join us in the world's largest earthquake drill!

When you hear the whistle: Drop, Cover, and Hold On!

I have placed a flyer in everyone's mailbox, and I have also attached some information on recommended earthquake safety actions.

For more information, or to register you and your family for your own earthquake drill, please visit <http://shakeout.org/southeast/>.

Best,

Jordan

Good Afternoon Everyone,

The LGOA has registered to participate in the 2014 ShakeOut by holding our own earthquake drill again this year on October 16th at 10:16 AM. I encourage you to share this information with your family and loved ones as well.

Please be sure to visit the ShakeOut website for available information and resources on planning, preparing, and recovering from an earthquake. You can also register you and your family to hold your own drill.

As we continue to help raise awareness of the importance of emergency preparedness for our constituents, it is also important to ensure the safety of yourself and your family.

Best,

Jordan
