**Subject:** Governor Campaign ~ Website email from David Kuhn

I have heard many good things about you and your efforts to run for Governor. There are a couple of things I need to know about any candidate running in this race for Governor. First would you work to get the recently imposed Gas Tax repealed? Secondly are you be will to mount an effort to reduce or even better eliminate the corruption in State Government such as the Infrastructure Bank and Hugh Leatherman as well as others who look out only for there own interests and the interests of all?

David Kuhn
