

Equipment Bids Asked For Projects

Bids on furnishing oil burning space heaters, electric refrigerators and gas ranges to be installed in Columbia's two low cost housing projects under construction, have

been called for by the Columbia Housing authority.

The bids will be opened at the authority's office, 1426 Devine street, at 12 o'clock noon, May 21.

This equipment is to be installed in Gonzales Gardens, being erected on Forest Drive across from the Providence hospital, and Allen-Benedict court, which is under construction north of Benedict college.
