Aha -- cool. Apologies for my confusion.

Could I speak with someone about my request for other coverage, then? We're interested in being able to show a side of the governor at work, aside from the sometimes over-the-top nature of the primary campaigns. In all honesty, I think tomorrow is my only chance to do it. I think I'm going to be hopping around the state with candidates starting on Wednesday.

Many thanks, again, for your time.

Cheers - Jonathan

We always send a recap of the governor's previous week along with this week's public events. As you can see, she doesn't have any public events planned at this time for this week, but we will send an advisory if that changes.

Thanks,

Brian
