AMERICAN COUNCIL OF ENGINEERING COMPANIES
of South Carolina

December 15, 2015

Governor Nikki Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

The American Council of Engineering Companies of South Carolina (ACEC-SC) would like to give our endorsement to Mr. Gene Dinkins, P.E., P.L.S., for reappointment to the South Carolina Board of Registration for Engineers and Surveyors.

Mr. Dinkins is a registered both as a Surveyor and Engineer and will serve both licenses as a member of the Registration Board. Dinkins has served on this board for some time as one of the two surveyor positions, and we think will continue to fulfill his duty as a registration board member. As a member of the South Carolina Society of Engineering and Surveying Societies (SCESS), ACEC-SC thinks Mr. Dinkins is a good candidate for the position.

While fulfilling the duties given to SCESS by the legislature, and after interviewing several candidates, the council decided that Mr. Dinkins is the most qualified applicant to fill one of the two Surveyor seats on the Board.

If there is anything we can do to assist you in making these appointments please let us know.

Sincerely,

Thomas G. Jordan, PE
Chairman of the Board
ACEC-SC
