Subject: Leadership Anderson meeting

Katherine,

Thank you in advance for your assistance with this. I am a facilitator for the Anderson Area Chamber of Commerce Leadership Anderson Class. We are scheduled to visit Columbia on Wed, Feb 3rd.

We would appreciate a brief meeting with Gov. Haley that morning, Feb 3rd and will be available 10:30-11:00. I realize that everything is subject to change and the schedule may not go forward as planned but if she has a minute to speak to the group and take a photo, we will be thrilled! The President of the Chamber, Pam Christopher is a member of this class and will be with us. The total number in attendance will be 32. Rep Brian White will be meeting us in the House offices when we arrive. Our Legislative Delegation will speak to the group and Rep. White will then bring us to the Statehouse for a tour and opportunity to be recognized from the floor. After that we have typically visited with someone from the Gov.'s staff (Ted Pitts spoke to the group 2 years ago). Again this agenda is NOT written in stone and can be changed to accommodate the Gov's schedule if another time would be convenient.

Warmest regards,
Tammie
