Katherine,

Will do, however case # 104796 (Simpson Men) I am guessing has to be turned over to Swati. The Governor told them that we would look into their cases.

Seems that both the elder Simpsons feel they were taken in court by the judges that heard their divorce cases and by the ex wives attorneys. Governor Haley promised them that their individual cases would be looked into.

1.W R Simpson (Simpson Farms LLC) and his ex wife is Daisy Wallace Simpson. The judge that heard the case was Judge Wright Turberville. He can be reached at 803-225-██████.

2.W R Simpson, Jr. and his ex wife's name is Becky Hill Simpson. The judge that heard his case was Judge Segars-Andrews whom he said had been removed from the bench because of his case. He felt that should have been grounds to have his case reopened. He was also interested in knowing how opposing counsel could charge so much and what steps to take when you disagreed with their charges. Cited the example that his ex wife's attorney charged him \$361,000 for 144 hours where as his attorney only charged some 9 thousand dollars. He can be reached at 803-460-██████.

Sorry for the delay in getting you the letters; the Governor has them in her stack to proof. With that being said, please go forward and start your follow-up. Please meet with Taylor for any cases that involve Cabinet agencies.

Thanks,  
Katherine

Judge has ordered he given his property to someone that is not entitled. If it happened to him, could happen to anyone. Has spent close to a million dollars in attorney fees. Would like to discuss with the Governor. Unfortunately, this matter will have to be resolved in the court.
