**Wednesday, October 5th**

**1PM ET | 10AM PT**

### Are your detectives spending too much time manually collecting, analyzing and sharing digital evidence?

New technology from NICE can help. And now, through our partnership with PoliceGrantsHelp.com, NICE can even show you how to secure the grant funding you need, so your investigators can close more cases, faster.

[Register to attend this complimentary webinar](#) hosted by NICE and PoliceGrantsHelp.com to learn:

- About a unique software solution for digital investigation from NICE that automates evidence collection, analysis and sharing.
- Which grants are currently available to purchase this software.

- How PoliceGrantsHelp.com can help you obtain the grant funding you need, through: free online grant writing training, free grant reviews, discounted grant writing services, and targeted grant alerts delivered right to your desktop.

**Presenters:**

- **Sarah Wilson**, Founder & Director, PoliceGrantsHelp – Through her leadership the program has helped over 20,000 agencies with grant assistance resulting in over \$75 million in funding.
- **Samantha Dorm**, Senior Grant Writing Manager, PoliceGrantsHelp
- **Rod Guy**, Vice President of Strategy, NICE Public Safety
- **Patrick Botz**, Director of Engagement, NICE Public Safety
