Mr. Joye,

Minutes ago I received hand delivered a copy of a letter mailed to you this morning from the Medical Affairs Committee. The letter requests that you attend the Senate Medical Affairs Committee confirmation hearing at 9:30am on Thursday February 21st.

You did not previously list this date as available, but it is at all possible to attend this hearing?

-John

John,

My schedule fills up pretty fast but I wish to be available for my upcoming hearing. Since there is apparently no medical affairs committee planned yet, could you suggest a day in the future to Senator Peeler for me to block out?

Right now, February 26 or 27 is open and the following March 5 is open.

I look forward to your reply.

Thanks, Chuck.

Mr. Joye,

I'm John Carroll, the Governor's Director of Boards and Commissions. The Senate Medical Affairs Committee is open to holding your DHEC confirmation hearing at its next meeting, however the meeting has not yet been scheduled.

I will contact you as soon as it is scheduled, and to find out if the meeting date works with your calendar. Don't hesitate to contact me if I can answer any questions or provide any more information.

Thanks,
John
