The Honorable
Nikki R. Haley
Governor of South Carolina
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

We, the undersigned citizens, are pastors representing more than 100 congregations in the State of South Carolina. We are firmly united in opposition to the horrific, scandalous, and sub-human behavior we have witnessed in the news and the videos of the reported sale of dismembered aborted human fetuses. If Your Honor has not yet watched the videos, we strongly recommend that you do so, in order to see with your own eyes and hear with your own ears what unspeakable crimes are being committed against humanity in the name of Women's Health.

As Pastors, we are obliged by Divine Love to sound an alarm when evil is called good. There should be no doubt in anyone's mind that the scandal exposed in the trafficking of aborted fetal body parts—including a brain removed through the face of a fetus whose heart was still beating—is completely uncivilized.

We are convinced that Your Honor, as Governor of South Carolina, has full authority to demand an absolute and immediate halt to the public funding of Planned Parenthood, and we urge you in the strongest possible terms to do so quickly and decisively.

To support such inhumane actions with public money, leaves us all complicit in these horrific actions, with blood on the hands of every single taxpayer. This we cannot abide.

Please, we urge you: take swift, public, and unwavering action.

Yours Gratefully,
Mark Wills
President, Pastors For Life
