DEAR

Mrs COOPER

Thank you for reading my statement
for help with this silent killer:
Thank you for putting in the time
to wanting to help us all. I'm still
waiting to hear from Disability and
Medicaid; but time is what they
say do; but in the meantime my
medical bills keep moving on; I'm
still out of work because of my
hands and mostly my legs; but I'm
keeping the faith and still praying.
Tues day I have to see a specialist
in North Carolina for the problems
with my legs. Pray for us that have
this cause and help us anyway you
can. I'm working on a new day every
time I wake up in the morning and
ask over and over again that help is on
the way for us. I'm home bound for
now and my sisters help out as much
as they can; but I'm still trying for

myself. Please help if you can!
Thank you so much.
